

THE BALLROOM HOUSE DIGEST

Instructor Spotlight

Karina Wegman

Karina has been teaching with The Ballroom House for four years, and dancing socially for six years before that. She has grown to love all of the dances that she has encountered, even though her first love was definitely West Coast Swing. She got her start at ECU's Ballroom Dance Club, and hasn't looked back. She has a bachelor's degree in English Literature (need anything proof read?), spent some time bartending, some time with horses, but definitely loves teaching and being surrounded by dance the best. When she's not teaching or at the studio she can be found spending time with her two little children Caedence and Westley, or doing demo and construction on her old house with her husband. Karina has a unique teaching style that is marked by patience and an ability to communicate effectively in many different ways to many different types of learners. Karina is a gem and we love her. Thank you Karina for being so stinkin' cool!

December Check in for Charity: Sleeping Children around the World (SCAW)

Since its founding in 1970 by Murray and Margaret Dryden, this 100% charity has raised over 40 million dollars, and helped over a million children in 34 different countries! Founded on a deep sense of integrity, a hundred percent of monetary donations go directly to creating their much needed bedkits. Donation of \$35 provide a mat/bedding, a bag with school supplies, a mosquito net, and clean clothes and shoes. All of their materials are locally sourced, and local labor is used to make and put together each kit, which not only helps the children but also boosts the local economy.

*** This month The Ballroom House will be doubling its check-in for charity donations! For the whole month of December we will be donating \$0.500 for every social media check-in!! ***
