

THE BALLROOM HOUSE

Instructor Spotlight

James Mason!

Like so many other greats - got his start with ballroom dancing through EKU's Ballroom Dance Club. With an extensive background in musical theater, hip hop, modern, jazz, and chorus line performance, James was interested in exploring a new avenue. He instantly knew it was for him. He loved the movement, the expression, and the unique partnership that Ballroom Dance offered. Not long after joining EKU's club he began apprenticing with TBH – just a year ago this December. James has impressed us with his perseverance, and his enthusiasm for overcoming challenges.

James will officially begin accepting new students very soon. We love having James as part of our dance family!

***Meet your November charity!
Hope Spay and Neuter Clinic!***

What does Hope stand for? Helping Over-Population End... one low-cost spay or neuter at a time. 15, 636 surgeries and counting!

Hope spay and neuter clinic is a 501©(3) non-profit charity that relies on volunteers to provide high-quality, low-cost spay and neuter services for companion animals as well as feral cats in central Kentucky and beyond. Their goal is to reduce overpopulation and unnecessary euthanasia. They also offer free spay/neuters for pitbulls! As little as \$30 can prevent 12-14 potential births from a single unsprayed cat or dog this year.

How can you help?

Check in every time you come to TBH during the month of November! Each check-in is worth fifty cents!
